Revenue Integrity – Preparing for Today’s Challenges

Presented by Navigant

February 20, 2019 | 1pm to 2pm EST

THIS 1-HOUR WEBINAR PRESENTATION WILL DISCUSS:

In today’s volatile healthcare environment, a revenue integrity program is vital to a provider’s success. Adherence to policies and procedures, specifically in the middle of a hospital’s revenue cycle, can make the difference in preventing gross revenue leakage and ensuring accurate reimbursement. In this presentation, Andrew Hancock, managing director of revenue management and Amanda Vallozzi, associate director of revenue management at Navigant, discuss the challenges facing healthcare providers and the revenue integrity process that can reduce the risk of revenue loss and payment denials.

Learning Objectives:

- Discuss the key components of a revenue integrity department, including gross revenue capture and net improvement focus areas
- Review important success factors including organizational commitment and how to best coordinate with operations, finance, and other key areas
- Evaluate appropriate implementation approach, timeline, reporting and key performance areas
- Examine relevant implementation case studies

ABOUT THE SPEAKERS:

Andrew Hancock is a revenue cycle Managing Director with Navigant. In his role as Director, Andrew is responsible for project delivery and oversight with a special focus on epic net revenue improvement/optimization and conversion risk mitigation.

Amanda Vallozzi is an Associate Director at Navigant who has managed various revenue cycle initiatives aimed to mitigate professional and hospital based operational and financial impact due to next generation electronic medical record conversions.
