

## FREE WEBINAR

Presented by Domenick J. Gandolfo: Cyber Safe Solutions, LLC

February 8<sup>th</sup> 2018 | 1pm to 2pm EST

**THIS 1-HOUR WEBINAR PRESENTATION WILL DISCUSS:**

**Cyber Security Awareness with Chief Security Strategist Domenick Gandolfo**

**Lincoln Computer Services - in alliance with its top cyber security partner, Cyber Safe - invite you to advance your knowledge by participating in a Webinar with cyber security subject-matter expert, Domenick Gandolfo.**

Organizations such Memorial Sloan Kettering, Northwell Health System, RiverSpring Health, San Simeon by the Sound, Jamaica Hospital, NY Cancer & Blood Specialists, Family Service League, Federation of Organizations and Safe Horizon are all long standing Lincoln clients.

**Join us on February 8th where Dominick Gandolfo will demonstrate:**

- How the same assessment and prevention methods your healthcare organization is currently utilizing, can't be depended on to detect an attack after having failed
- Why taking a proactive approach in overall IT security strategy isn't a perception of luxury, but a necessary reality in order to mitigate an inevitable threat
- The emphasis on employee awareness, incident response, and significance of a cross-functional team of people – more so than any combination of applications – tasked with keeping your network secure
- How to expedite the process while simultaneously and efficiently reducing TCO as well as delivering a high ROI on technology investment

#### **ABOUT THE SPEAKER:**

Domenick Gandolfo possesses 17 years of experience in security compliance and strategy, with core competencies in incident response, cost and risk management. He is a Certified Information Systems Security Professional (CISSP), GIAC Certified Incident Handler (GCIH), and GIAC Penetration Tester (GPEN). Gandolfo is also a member of InfraGard and the High Technology Crime Investigation Association. He has received numerous awards for his work and dedication to security policy analysis, prevention, assessment and consultation.
