## Micro-Hospitals: Enhancing Your Ambulatory Care Strategy

Presented by Navigant

Thursday, Feb 15, 2018 | 12pm to 1pm EST

### THIS 1-HOUR WEBINAR PRESENTATION WILL DISCUSS:

Micro-hospitals have been on the national healthcare stage for several years, with more than 50 of them currently operating. However, with providers focusing on offering easy access and value, micro-hospitals are coming to forefront as viable solutions. In this webinar, Navigant's experts will be addressing the two most commonly heard questions:

1. **Why** should a micro-hospital be part of our network?
2. **How** should we be thinking differently about planning, operating, and implementing a micro-hospital?

### ABOUT THE SPEAKERS:

**David C. Brown** - Dave is a director in the global construction practice, focusing on healthcare real estate. His healthcare architecture background includes more than 20 years dedicated to healthcare design and construction.

**Phil DeBruzzi, FACHE** - Phil is a director leading the health facility planning team. Phil advises healthcare leaders on how to plan for and invest in facilities that support long-range clinical and business goals.

**Kevin "Casey" Nolan** - Casey is a managing director in the healthcare practice's provider strategic planning segment with more than 35 years of strategic planning experience.
